HISTORICAL SKETCH

The First Baptist Church of Homestead is the oldest and largest church within the South Dade Area. Having been founded with six members in September 1909 when Homestead was little more than a "whistlestop" on the Florida East Coast Railroad which run from Miami to Key West. The first meetings were held in the little community schoolhouse, with the first church building erected in 1913 at which time the membership had increased to 33. The present Sanctuary which seats some 600 was erected in 1944 and completely refinished with new lighting fixtures in 1965. It is one of the most beautiful places of worship within the Greater Miami Area. The present membership is above 1600, with 34 departments in the Sunday School organization, with all other organizations fully organized and functioning.

A
WORD
FROM
THE
PASTOR

On the pages of this booklet you will find a directory of our present church officers, some of the pictures of the membership of First Baptist Church of Homestead and a list of the resident membership as compiled by the church clerk.

This directory is so arranged that it may be added to from year to year, which is very essential in a church which has such a large changing membership as that of ours.

To the ladies of our WMU and especially to the president who spent so much of their time in contracting and recording the visits of those who had their pictures made and to our church secretary who spent many hours seeking to correct our membership roll of resident members and their present addresses we are deeply grateful.

Our Church Family is one which is very closely knit together and always responds to the needs of one another. The host of visitors who worship with us especially during the winter season always speak of the friendliness of the First Baptist Church of Homestead. We are blessed with the coming each Sunday of visitors of all faiths and from every state in the nation and from foreign countries.

May God bless us as we continue to work together for His glory in our church and its three missions.

Faithfully, your pastor
