PERSIAN LIME PIE

By Mrs. G. Victor

- 1 cup sugar
- Juice 1 large lime
- 2 tbsp. Butter
- 2 tbsp. cornstarch
- 1 Cup boiling water
- 3 egg yolks

Mix sugar, egg yolks, butter and boiling water. Let cook for 15 minutes in double boiler. Add cornstarch dissolved in lime juice. Pour into baked pie shell. Cover with meringue made of three egg whites, beaten stiff, sweetened to taste, half tsp. baking powder and pinch of salt. Brown meringue in oven.

PERSIAN LIME PIE

By Mrs. H. P. Shepherd

Melt tbsp. butter in pie tin, covering bottom and sides. Crush two 5 cent packages vanilla wafers and press on to bottom and sides of pie pan for crust. Beat 4 egg yolks. Add juice of 2 Persian limes and $\frac{1}{4}$ tsp. grated rind. Add 1 can Eagle Brand milk and $\frac{1}{2}$ cup sugar. Beat well and pour into crust. Bake meringue with 4 egg whites beaten stiff to which 4 tbsp. sugar has been added. Place meringue on top of filling and bake in moderate oven 20 minutes. Place in icebox to chill. Serve cold.

AVOCADOS

Cut avocado (alligator pear) in half lengthwise. In cavity, after removing seed, put one heaping teaspoon powdered sugar and the juice of one Persian lime. Serve cold, with dessert spoon so generous portions of sauce may be eaten with each bite of avocado.

AVOCADO SALAD

Slice avocado in thin slices lengthwise, dice one small onion, put on top of sliced avocados. Make dressing of salt, one half teaspoon sugar, and one half cup vinegar diluted with water, or part vinegar and part Persian lime juice. Pour dressing over avocado and chill.

MISCELLANEOUS

Any recipe designating lemon may be improved by substituting Persian lime for the lemon. It is unequalled for a garnish and a flavoring for fish. Use as a rinse after shampooing the hair.

MANGO CHUTNEY

Take one 14-inch galvanized bucketful of green chutney mangoes; peel and slice them or take

- 4 lbs. sliced mangoes
- 1 qt. vinegar
- 1 lb. currants
- $\frac{1}{4}$ lb. garlic
- 3 lbs. sugar
- 1 lb. bleached almonds
- $\frac{1}{4}$ lb. green ginger
- $\frac{1}{2}$ lb. salt
- 2 lbs. raisins
- 2 oz. yellow chili pepper

Chop all fine except raisins and currants. Cook four hours, stirring to prevent burning; put in bottles and seal. Mix and let stand over night before cooking if possible. Can be made with sweet mangoes, using the juice of five or six Persian limes.

PERSIAN LIME ICE BOX PIE

By Mrs. Frank Schneider

- 1 can Borden's Condensed Milk
- 3 eggs
- $\frac{1}{4}$ cup lime juice

Beat egg yolks, add can of milk, mix together well, then add lime juice. Mixture will become real thick. Pour into baked shell and cover with whipped cream or meringue.

PERSIAN LIME ICE OR SHERBERT

- 4 cups water
- 2 cups sugar
- $\frac{3}{4}$ cup lime juice
- Green vegetable coloring

Make a syrup by boiling water and sugar together for 5 minutes. Add the lime juice, cool, strain and chill.

This is excellent served as a dessert with cake or can be served in ginger ale, limeade, coca-cola, to be used with small cakes or cookies. Makes a very delightful and delicious drink refreshment.

AVOCADO SALAD

By Mrs. J. L. King, Jr.

- To 1 package of cream cheese, mashed, add
- 2 tablespoons avocado pulp
- 1 tablespoon cream
- 5 ripe olives chopped fine
- 2 tablespoons nuts, chopped
- 1 teaspoon onion juice
- 1 tablespoon Persian Lime Juice
- Salt to taste

Peel and cut large avocado lengthwise in halves, and chill. Scoop out slightly larger hole than left by stone. Stuff with cheese filling, put halves together; wrap in waxed paper to hold shape; chill 30 minutes. Cut in rings and serve on lettuce.

MANGO ICE CREAM

Use plain ice cream custard made by any favorite recipe as a basis. To each quart add one pint of mango pulp and freeze.

MANGO SUNDAE

Have the fruit well iced. Cut in halves and remove the seed. Fill the cavity with cream, and serve at once.

PERSIAN LIMEADE

In an 8 oz. glass put the juice of one Persian lime. Add sugar to taste and three ice cubes. Fill glass with water (plain is preferable to carbonated water) adding either a slice of lime or half the squeezed lime rind.

AVOCADO AND CRAB MEAT

Three avocados, 1 cup picked crab meat, $\frac{1}{4}$ cup finely minced celery, 1 teaspoon onion juice, $\frac{1}{4}$ cup catsup or chili sauce.

Cut avocados in halves and remove pits. Mix crab meat with celery, onion and catsup or chili sauce and fill fruit with this mixture. Serve as a first course or as a luncheon salad.

MANGO SUNDAE

Have the fruit well iced. Cut in halves and remove the seed. Fill the cavity with cream, and serve at once.

The Redland District of Florida

Its sunny groves,
fertile farms
and
glorious climate

means the end of the
trail to the seeker
of health
and prosperity

Telling the simple truth about the advantages of the Redland District has been, and always will be, sufficient to attract seekers of good homes, farms and grove lands and good health.

We who live here and have benefited by the profusion of natural bounties offered by the district, know by happy experiences that opportunities unequalled elsewhere abound on every hand.

Our citizenship is of fine quality and is cosmopolitan in character, being drawn from practically every state in the Union.

Our community pride and spirit are strongly developed. We are in truth a typical American community, progress being our watchword and guiding our united endeavors.

Every opportunity will be afforded our visitors and prospective homeseekers to "investigate before investing." Inquiries are welcomed and will be courteously answered without delay.

Names Appearing In Classified Section

IN THIS DIRECTORY are the names of those people who ACCOMPLISH THINGS and are entitled to favorable consideration, if for no other reason than their public-spirited support of measures which make for progress. They represent that ENERGY AND PUSH so essential to the commercial prosperity of the Redland District, and in dealing with them no mistake will be made. The publishers are honored in thus making them better known to the public.
